

Vision & Plans

When we get back to Paraguay, we would like to start a **NEW CHURCH** in the inner suburbs of Asuncion, wherein lives about 30% of the country's population. We would like to make the new church our ministry base or headquarters in Paraguay.

We also hope to move our **Bible Institute** to the new location and continue to train men hoping to **ordain more preachers** and eventually send them to preach and start new churches **around the country**.

We are praying that God would enable us to reach the whole country with the Gospel of the Lord Jesus Christ. To do this, we need help from like-minded churches who are willing to invest in the Lord's work, seeking to reap eternal rewards.

How You May Help Us

1. **Pray** - Please pray for God's hand upon us, that we will be able to win more souls to Christ, train men for the ministry, and to honor God in all that we do.
2. **Give** - Please prayerfully consider being a financial partner with us as we face more financial challenges with our new vision and direction.
3. **Visit** - Plan to visit us on the field. Be part of a soul winning ministry on the mission field and see what God is doing in Paraguay.
4. **Join** - Consider the possibility that the Lord may call you and send you to Paraguay and work with us.

The Wilps Family

Preaching the Gospel in Paraguay

My name is Michael Wilps Jr. I was born a Roman Catholic. I believed in God and even looked for God when I was young in the Catholic Church. I made some of my sacraments such as Confession and Confirmation. When I was younger, I went to mass every day before I went to school. I believed that there was a God, and I wanted to be with Him. The problem was that I knew some things about God but did not know Him personally in my heart as my Saviour.

One day in May of 1994 I was under conviction about where I would go when I died. I did not know. I always thought that if I believed in God and was a good person the best I could, God would let me into heaven when I died. I was wrong. The Bible teaches the exact opposite. The next day God led me to a teacher in high school who was a saved Christian. Not knowing she was a Christian, I went to her and asked many questions about God and the Bible. She told me that we could talk more after school. After school I went to her to talk about some things that were on my heart. She took out the Bible and began to teach me the Gospel of our Lord Jesus Christ. She explained that we are all sinners, guilty before a Holy God. She showed me that the wages of sin is death, and that because of our sin against God we must go forever to a place of fire called hell after we die, not because God is bad or mean, but because God is holy and just. She taught me that we all deserve to go to hell because we willingly sin against God. She then showed me in the Bible that there is nothing we can do to earn heaven. We cannot do any good work or deed for God to let us into heaven when we die. She explained to me that changing your

life to be a better person is good, but could not save my soul from hell. My teacher, full of love, told me that for this very reason God sent His Son, Jesus Christ, to die on the cross for my sins, shed His own blood, be buried, and rise again to give me eternal life, saving me from hell; and that whosoever believeth in Him should not perish but have everlasting life. I knew at that very moment that I needed Jesus Christ to save me. I knelt down with my public school teacher and asked God with all of my heart to forgive me, a sinner, believing that Jesus Christ died on the cross for my sin, and asked Him to come into my heart and save me. The very moment I trusted Christ as my Saviour, He came into my heart and saved me. I am 100% sure that when I die I will be with God in heaven forever, all because of what Jesus did for me on the cross. Thank You, Jesus!

The Ministry in Paraguay

God has called me to preach and to give my life for the gospel in 1998. God called me to Paraguay in 2001. But it wasn't until 2005 God opened the doors and sent us to Paraguay. I quit my job, sold our home and everything we had to obey God and go to Paraguay. Our deputation lasted a little over five months and we arrived in

Paraguay November 2005.

We started our first church in the city of Villeta. Now we have about 4 works started and will be starting a church in the city of Villa Elisa/ Fernando de la Mora when we get back. We also have a men's Bible Institute with over 30 men attending. By Gods grace I have had the privilege to ordain 3 men who I personally won to Christ and trained. Please pray for the work in Paraguay. There is so much work to be done. My vision is to win Paraguay to Christ or die trying.

Paraguay is wide open to the gospel of our Lord Jesus Christ. We are commanded by God to go into the whole world and preach the gospel. Will you go to this wide open country and give your life to preach the gospel so the Paraguayan people can be saved? If you can't go, will you support a soul wining Bible believing missionary to the country of Paraguay? Please pray for us as we preach the gospel in Paraguay South America.
