Dear Members of Calvary Baptist Church,

I would love for each of you to personally come to Rockford, Illinois and meet the team that God has given RU. Since that dream is quite impossible, I thought it wise to bring the team to you! Many of these faces you would not recognize, but they are the legs upon which this great ministry moves forward. Our growth would not be possible without these servants of God! I cannot introduce each face individually, but I want you to know that these are the real heroes behind the miracle of RU!

What I love most about our team is that God has built it on the developing backs of those who have been reached through the ministry of RU. Most of our team members are actually graduates from our Schools of Discipleship. Our team is not made up of a great number of people with a long list of life's accomplishments or even college degrees! Every face represents a different walk of life from different locations across the U.S. But God took the broken pieces of our pasts to mold a breathtaking canvas of New Life.

Isaiah 60:15 is a beautiful description of the RU team—"Whereas thou has been forsaken and hated ...I will make thee an eternal excellency, a joy of many generations." Verse 22 encourages me even more—"A little one shall become a thousand, and a small one a strong nation: I the LORD will hasten it in his time." In God's time and with these "little ones", God is making an effective and Life-giving ministry.

Thank you, once again, for your financial support of Reformers Unanimous. We would not be nearly as effective if it were not for your monthly support. You are making a difference in our ministries. We love you... at RU!

Support for the month of April: \$25.00

Missionary Supported: Administration

Yours for the addicted
